

# **BD Food Safety Consultants LLC**

## AN INTRODUCTION

When it comes to food safety, there are a lot of programs available. **BD Food Safety Consultants LLC** provides some of the most qualified food safety certification courses in Chicago and Atlanta to clients nationwide. From in-person classes and consultations at our Chicagoland and Atlanta Training Centers, to convenient online food safety courses, we leverage over 40 years of combined food safety experience.

We are qualified to train and  
consult others on the food  
safety guidelines set forth by  
the **FDA and USDA.**

# FDA and USDA
